Sale To Be Held At

METZ FARM

Williamsville, Illinois

Tuesday, November 4, 1958

Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois

General Information

TIME: Sale will be held at the Thorp Metz Farm, Williamsville, Illinois, on Tuesday, November 4, starting promptly at 12:00 o'clock noon, Central Standard Time.

LOCATION: The Metz Farm is located one mile southeast of Williamsville on a good graveled road. The farm is 15 miles north of Springfield, Illinois, and 15 miles south of Lincoln, Illinois. Excellent train connections from Springfield to Chicago and St. Louis. Frequent bus transportation in every direction. Springfield is on main air travel routes and there are airports at both Springfield and Lincoln.

LUNCH: Lunch will be served at the farm by the ladies of the church.

HEADQUARTERS: Since this sale is to be held on Tuesday, November 4th, and most visitors will want to spend Monday at Leveldale Farms, we will use the same headquarters. The Mathers Sale will be held at Leveldale Farms, Mason City, Illinois, on Monday, November 3rd. The two farms are only 30 miles apart. For those who do not have cars we will be glad to provide transportation between farms or to and from the hotels. Most guests from a distance will stay at either the Abraham Lincoln Hotel in Springfield or the Lincoln Hotel in Lincoln, Illinois. Reservations may be made direct or we will be glad to make them for you if you will advise us.

MAIL BIDS: Those wishing to buy at this sale, who cannot attend in person, may send their bids to the following reliable agents: Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.; Don Longley, fieldman, The Shorthorn World, 16 S. Locust St., Aurora, Ill.; Darrell Oberholt, The Drovers Journal, Chicago, Ill.; Kenneth Fulk, Secretary, American Shorthorn Breeders' Association, Live Stock Exchange Building, Stock Yards, Omaha 7, Neb.; or to the auctioneers.

AUCTIONEERS: C. D. Swaffar, H. P. Miller and Luke Gaule.

SALE MANAGER: Hal Longley, 16 S. Locust St., Aurora, Ill.

THE METZ KIND

Three beautiful daughters of Elvin's Heir produced in the Metz Farm Herd.

Welcome to Metz Farm

Although I was aware when I reduced the size of my herd a year ago that I could not participate heavily in a 1958 sale, I made it plain at the time that the Metz Farm Invitational Sale was to be continued as usual on an annual basis. Naturally the first invitations were to the former consignors and they have supplied better cattle than ever before. Next we invited certain out-of-state breeders who had been steady buyers of top animals in former Metz Farm Sales. We were pleased indeed when Bill Boutell agreed to consign 14 head of the best from his strong Bilmar Herd in Michigan and equally pleased when Wallace Campbell brought fourth eight top individuals from the great herd at Brown-Forman Experimental Farms in Kentucky. We have a great offering from ten top midwestern herds and I am proud to offer the Metz Farm facilities to such a fine group of breeders.

My own herd is smaller in numbers but stronger in quality than ever before. At the time of our reduction sale we held back one or two members of our choicest imported families and we are fast building the herd up to former size.

We hope you will do us the honor of attending this sale. The pedigrees are the kind that insure top performance and the cattle back them up. We have all been heavy buyers of Mathers bred and Mathers imported animals, hence the tie-in with the Leveldale Sale is a natural. Speaking for all of the consignors, I bid you welcome.

Very Important Dates

WANT TO MAKE AN INTERESTING TRIP — A trip that will be filled to the brim with pleasure and profit? Then follow this itinerary:

SUNDAY, NOVEMBER 2: This is a day for study and inspection. The Mathers Farm and Metz Farm are only 30 miles apart, and you can easily inspect the two breeding herds and the two sale offerings in one day. We will supply transportation between farms to those who do not have cars.

MONDAY, NOVEMBER 3: Attend the Mathers Sale at Leveldale Farm, Mason City, Illinois.

TUESDAY, NOVEMBER 4: Attend the Metz Farm Invitational Sale at Metz Farm, Williamsville, Illinois.

If you prefer to stay in Springfield (15 miles from Metz Farm) we suggest the Abraham Lincoln Hotel. The town of Lincoln, Illinois, is midway between Metz Farm and Leveldale Farm. The Lincoln Hotel at Lincoln is a favorite spot for visiting cattlemen, and there are a number of excellent motels on the outskirts of Lincoln. We will be glad to make reservations for you if you will advise the kind of accommodations you want and the number of persons in your party. Write Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

Few barns are better planned or more attractive than this one at Metz Farm—and it will be packed with outstanding Shorthorns on sale day.

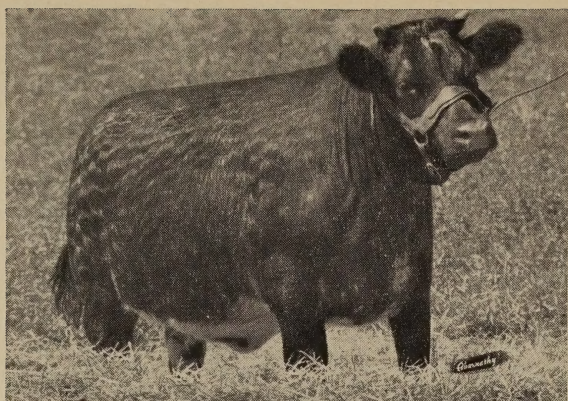

A Word From the Sale Manager

I wish more sales of this kind could be developed because, in my opinion, they provide wonderful buying opportunities. It is true that Thorp Metz is not able to consign as many as formerly but his herd is again growing in size and strength and his interest in the breed is as great as ever. It was his wish that this sale be continued annually on the day following the Mathers Sale and he has made the excellent facilities of his beautiful farm available for this purpose.

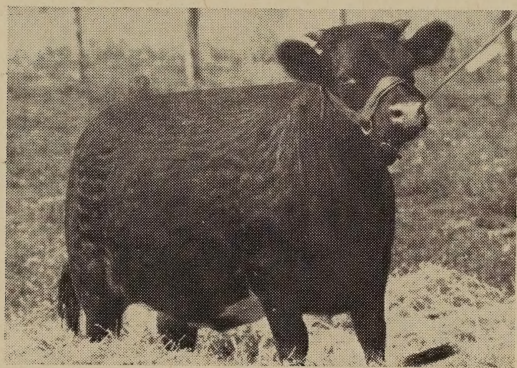

The scope of this sale has been enlarged this year with resultant improvement in the offering. Eighteen bulls and forty females have been inspected and accepted and from the standpoint of pedigree and quality, the offering will compare favorably with the best of the year.

It has been a pleasant experience to serve as manager of this sale since it started in 1953 and a great satisfaction to receive fine reports from those who have made purchases. Few annual auctions can boast of a greater percentage of repeat buyers, a fact that should prompt even wider patronage for the cattle that are to be offered this year. Elsewhere in this catalog is a list of those who have bought in former sales at Metz Farm. We are proud of this list and pleased that the cattle offered each year have contributed something to the breed. This is a natural sale for you to attend because it occurs on the day following the Mathers sale and because the right kind of Shorthorns are being offered by the right kind of men.

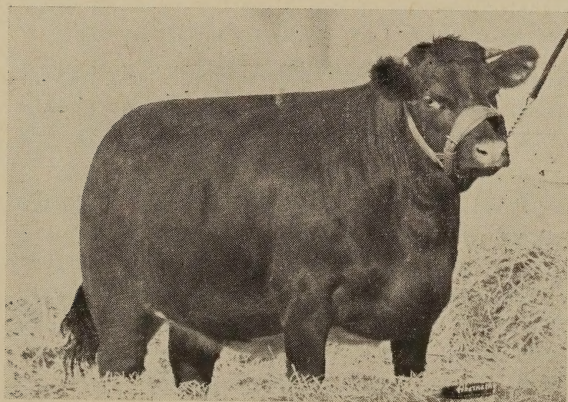

HAL LONGLEY

Huida Hester, purchased by White Plains Farm, Mountville, South Carolina at \$1,100. She is a daughter of Thruliner out of an imported cow by Beaufort Bolido. Bred by Thorp Metz.

Eliza M 2d, purchased by White Plains Farm at \$1,225. She is a daughter of Thruliner and her granddam is an imported cow by Calrossie High Finance. Bred by Thorp Metz.

H K Maplevale Rena, purchased by White Plains Farm at \$325. She is a daughter of Lo Mar Royal out of a dam by Sni-A-Bar Clarendon. Bred by H. P. and Leo D. Miller.

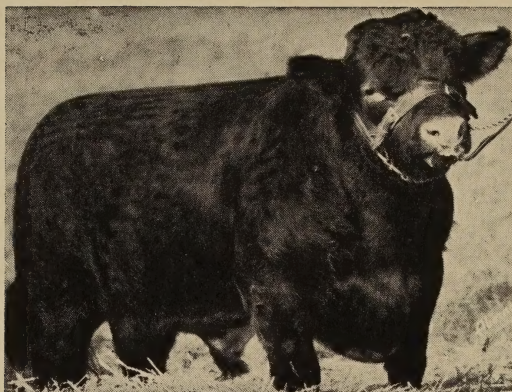

C. D. Bevis, owner of White Plains Farm, Mountville, South Carolina, came to a former sale at Metz Farm. Evidently he liked the cattle because he bought a bull and fourteen females. Three of the females are pictured on this page. The average cost of the fifteen head was \$516.

Luther K. Rice, Paris, Kentucky, one of the keenest cattlemen in the business, has been a purchaser in each of our previous sales. In the 1956 sale, he bought four bulls and a heifer. The bulls all made money on resale and the heifer is a member of his permanent breeding herd. The average cost of the five head was \$387.

Wallace Campbell, noted judge and manager of the Brown-Forman Experimental Farms, Frankfort, Kentucky, bought four excellent females in a former sale at Metz Farm. The average cost was \$456, very moderate for females of such rich quality and breeding. Wallace says—"I got a lot for my money in the sale at Metz Farm."

Here are the people who have patronized the sales at Metz Farm. We thank them all and wish them success with the cattle they purchased here. It is our hope that your name may be included following the sale on November 4th. Please note that breeders from fourteen states and Canada are represented in this list of buyers — convincing proof that the cattle in former sales have been appreciated.

He is a full brother to the 1956 Perth reserve supreme champion bull, Kair Master Key, that sold for \$16,800 to the Glamis Herd in Scotland.

The Bilmar Consignment

Three bulls and eleven females in this sale are from the Bilmar Herd at Grand Blanc, Michigan, owned by W. H. Boutell. This is one of the top herds of the breed. Such famous sires as Aldie Apex, Kair Corporal and Leveldale Romancer, bred or imported by Mathers, have been used with success in this herd. The efficient manager, Dwight McCoy, received his early training at Leveldale Farms. Five head in this consignment came right out of the 1958 Bilmar show herd.

Britomac Metaphor — A short legged, heavy boned bull, son of Kinellar Metaphor, a bull that sired a lot of good calves at Marellbar Farms. Note that his dam is a daughter of Phopachy King Charles and his granddam was the imported cow, Iceni Butterfly 5th, that produced so many top cattle at Marellbar Farms.

A Word About the Metz Invitational Sale

Annually, since 1953, we have invited neighboring breeders from Central Illinois to join us in a sale at Metz Farm. They have rallied to our support by supplying their top productions and those who have bought them have been enthusiastic in praising their performance. This year we have included two out-of-state breeders who have been strong supporters of our former sales. The offering is better than ever with 18 top herd bull prospects and 40 richly bred females. This is strictly a **PRODUCTION SALE** and no animals bought by speculators for resale purposes are included.

Leveldale Bursar — We bought this good son of Leveldale Contract in the 1956 Mathers sale and he has sired a lot of good calves for us. However, our cow herd is not large enough to warrant two herd bulls and, since we have acquired Crichton Prince Charlie, we have no further need for this bull. Note that he is out of a direct daughter of Calrossie Crocus Count, granddam by Beaufort Bolido. We are selling him full guaranteed.

Brown-Forman Braemar — A very showy bull, with lots of style, a good head, heavy bone and very smooth. We think he is one of the top bulls we have produced. We purchased his dam, a very excellent daughter of Elvin's Heir, in a former sale at Metz Farm and his granddam is one of the top imported cows in the Thorp Metz herd. Buy this good son of Imp. Kair Martinet. He is certain to do well for you.

Good Bulls are a MUST!

And you will find the right kind in this sale . . . sired by noted herd bulls . . . out of royally bred cows . . . bulls of the right type . . . at prices you can afford to pay.

Miller's Revenue — Study the pictures of this bull and his sire, both of which are shown above. We honestly believe that this son of Leveldale Referee is the best bull we have ever produced. He stood third in a strong class in the Land O' Lincoln division at the 1958 Illinois State Fair. We value his mother, an imported daughter of Calrossie Good News, as one of our top imported cows. This bull is full in his quarters, smooth fleshed and has a great head. With Leveldale Referee, Calrossie Good News and Chapelton Royalist as the first three sires in his pedigree, he is certain to prove a great sire.

Prairie Knoll Colossal — A low set, deep bodied son of the International reserve junior champion Leveldale News Flash. His dam, Cluny Beauty 37th, was imported by Les Mathers and was one which Henry Behrends called the best producing cow he ever owned. His full brother, Prairie Knoll Supreme, sired the champion and reserve champion junior steers at the 1957 Illinois State Fair. We selected this young bull early to be our next herd sire but since we have several heifers bred to him and a full brother a year younger coming on, we have decided to let him go.

Burnton Crocus Count 3rd, picture taken at 9 months of age. He made a great record in the H. C. Page herd and is now in service in the herd of Wilbur Steiger & Sons. One bull and one heifer sired by this good son of Calrossie Crocus Count are offered in this sale.

Bilmar Raider (not selling) — We print the picture and pedigree of this great young bull for reference purposes only. He is being retained for herd bull duty at Bilmar Farms. He stood second to the grand champion bull at the 1958 Ohio State Fair and was a member of the second prize 3 and 2 bull groups, with only the Mathers groups placing ahead. At the Michigan State Fair he was named reserve junior and reserve grand champion bull and was a member of the first prize 2 and 3 bull groups, first prize get-of-sire and pair of yearlings. The picture of his dam, a wonderful daughter of Aldie Apex, is also shown above. He is the service sire of several of the Bilmar females in this sale.

Bilmar Queen of Beauty 3rd — A daughter of Leveldale Romancer and a heifer that will speak for herself. Her 3/4 sister, Bilmar Queen of Beauty 4th, pictured above, was the reserve grand champion female at the 1958 Michigan State Fair. The dam of this heifer, senior champion at the Michigan State Fair two years ago, is a truly wonderful daughter of Aldie Apex. She sells bred to Bilmar Raider. Calfhood vaccinated.

Typical Bilmar females. The dams of several animals in this sale are included in this group.

Bilmar Claret — Few better females will be offered for sale this year than this granddaughter of Cruggleton Bounce. As a two year old at 1957 fairs she stood second in class at Ohio and was first and senior champion female at Michigan. Since she was a show heifer, we did not breed her until late. She is in calf since May 4 to Kair Corporal. Calfhood vaccinated.

Typical productions of the Bilmar herd. Note the quality and character of these daughters of Imp. Aldie Apex.

Three choice heifers bred at Metz Farm and sold in our 1957 sale. They were purchased by James and Anita Seefeldt, Mt. Pulaski, Illinois, and C. W. Godecke, Campbellsburg, Kentucky.

Bilmar Brawith Bud — A red senior calf sired by Leveldale Romancer and out of a granddaughter of Kirkton Gambler. Her dam stood fourth in a class of 45 senior heifer calves at the International where we purchased her from Park Franklin. This is her first calf and a good one. She is calthood vaccinated and sells open.

Eight animals in this sale, including the six females next listed, are from the herd maintained at Brown-Forman Experimental Farm. This is truly a great herd, managed under the skillful direction of Wallace V. Campbell, one of the finest cattlemen in the business. It is our hope that any visit you may make to Kentucky can include a visit to this farm where we believe you will thrill over the quality of the herd bulls, the cow herd and outstanding calves they are producing.

Her dam was a top open heifer in a previous Kentucky Futurity Show and has been an excellent producer. Along with being a good individual, she has the right kind of a head for a brood cow. Best of all, she is safe in calf since June 19 to Basis Contribution, our sensational young son of Leveldale Basis.

Brown-Forman Rosewood 88th — Folks who like Mercury breeding will appreciate this heifer since her sire was a grandson and her dam was a granddaughter of the great Calrossie Mercury. Her dam was reserve champion at the American Royal Show. This granddaughter of the International champion Sni-A-Bar Randolph will sell open.

(Right) **Ashbourne Defender**, used with great success at the Brown-Forman Experimental Farm. He is the sire of Lot 38 in this sale.

Brown-Forman Violet 2nd — A beautifully bred heifer with the kind of individuality you would expect from such breeding. She was sired by Ashbourne Defender and is out of a daughter of the many times grand champion Sni-A-Bar Control. She is a very thick heifer with lots of weight for age and good type. Luther Rice owns a half sister that is one of his top producing cows. She sells open.

Aldie Mainliner. After siring many champions for Mathers Bros., he was placed in service in the John Schirding herd where he sired many more great calves. A son and two daughters of this famous sire will be offered in this sale by John Schirding.

Butterfly 20th — A beautiful individual, as her picture indicates, and bred in the purple. This daughter of Leveldale Referee is out of a great cow that we imported from Scotland. She was the junior yearling in our 1958 show herd and stood fourth in a strong class of 25 heifers in the Illinois State Fair. We think Butterfly 20th has what we are all looking for. She is definitely a replacement heifer for any careful breeder and she carries the service of Leveldale Pioneer, our good son of Leveldale Basis. Pre-tested clean and calfhood vaccinated.

Standard Guarantee
of
American Shorthorn
Breeders Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not setting within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals catalogued have been tested for T. B. and are clean, and have passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves will be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
8. The prospective buyers should be familiar with the health requirements of their own state.
